

Beiens Cartoon RC Race Car Remote Control Buttons Replacement

This guide will help you replace one or both of the buttons on the remote control on your Beiens Cartoon RC Race Car.

Written By: Amber Ashley

INTRODUCTION

This guide will help you replace the buttons in the remote control of your Beiens Cartoon RC Race Car.

TOOLS:

- [Phillips #00 Screwdriver](#) (1)
-

Step 1 — Remote Control Buttons

- Hold the remote control with the backside facing you and, using the Phillips #00 screwdriver, unscrew the six 6.5 mm screws on the back of the controller that hold it together.

Step 2

- Open the remote control and remove the blue plastic buttons from inside.

Step 3

- Place the new buttons inside their slots in the remote control.

To reassemble your device, follow these instructions in reverse order.
